**PINOT GRIGIO RESERVE D.O.C.**

About this Selection:  
San Giuseppe Pinot Grigio Reserve D.O.C. delivers the ultimate in quality and taste.

The Grape:  
Our Pinot Grigio Reserve is made from 100% Pinot Grigio grapes grown on the hills of Roncade, Monastier and Mansue around the village of Piave, Italy. The grapes are cultivated in clay compact soil and picked in August after they've gathered maximum flavor.

Winemaker Notes:  
The grapes are gently pressed at controlled temperatures to produce an intense, fruity flavor. Pinot Grigio Reserve possesses a great personality and balances appetizers, soups and fish dishes beautifully.

Tasting Notes:  
Pinot Grigio Reserve has a delicate yellow color, a welcoming aroma of intense fruit and a healthy degree of complexity. Harmonic and velvety, it is best served at a cool 46 - 50° F to fully enjoy its bountiful taste.

Finished Wine:  
Varietal content: 100% Pinot Grigio
